We're a technology-first company that believes every business deserves a solution as unique and exclusive as they are

It is marketplace is a set of ready to use industry solutions which will enable individuals and businesses to leverage web3 capabilities

How it works

We believe in the future of smart contracts

Our smart, yet simplistic solutions are the perfect blend of art and technology

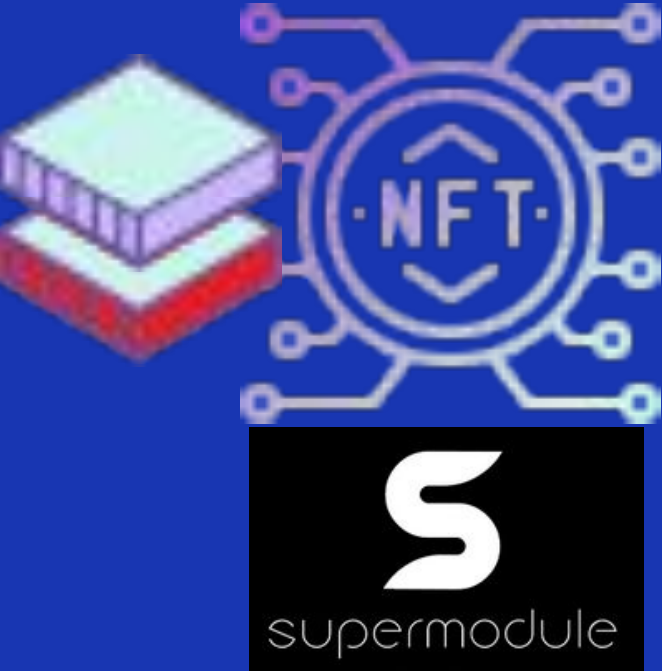

Non-Fungible Token

+

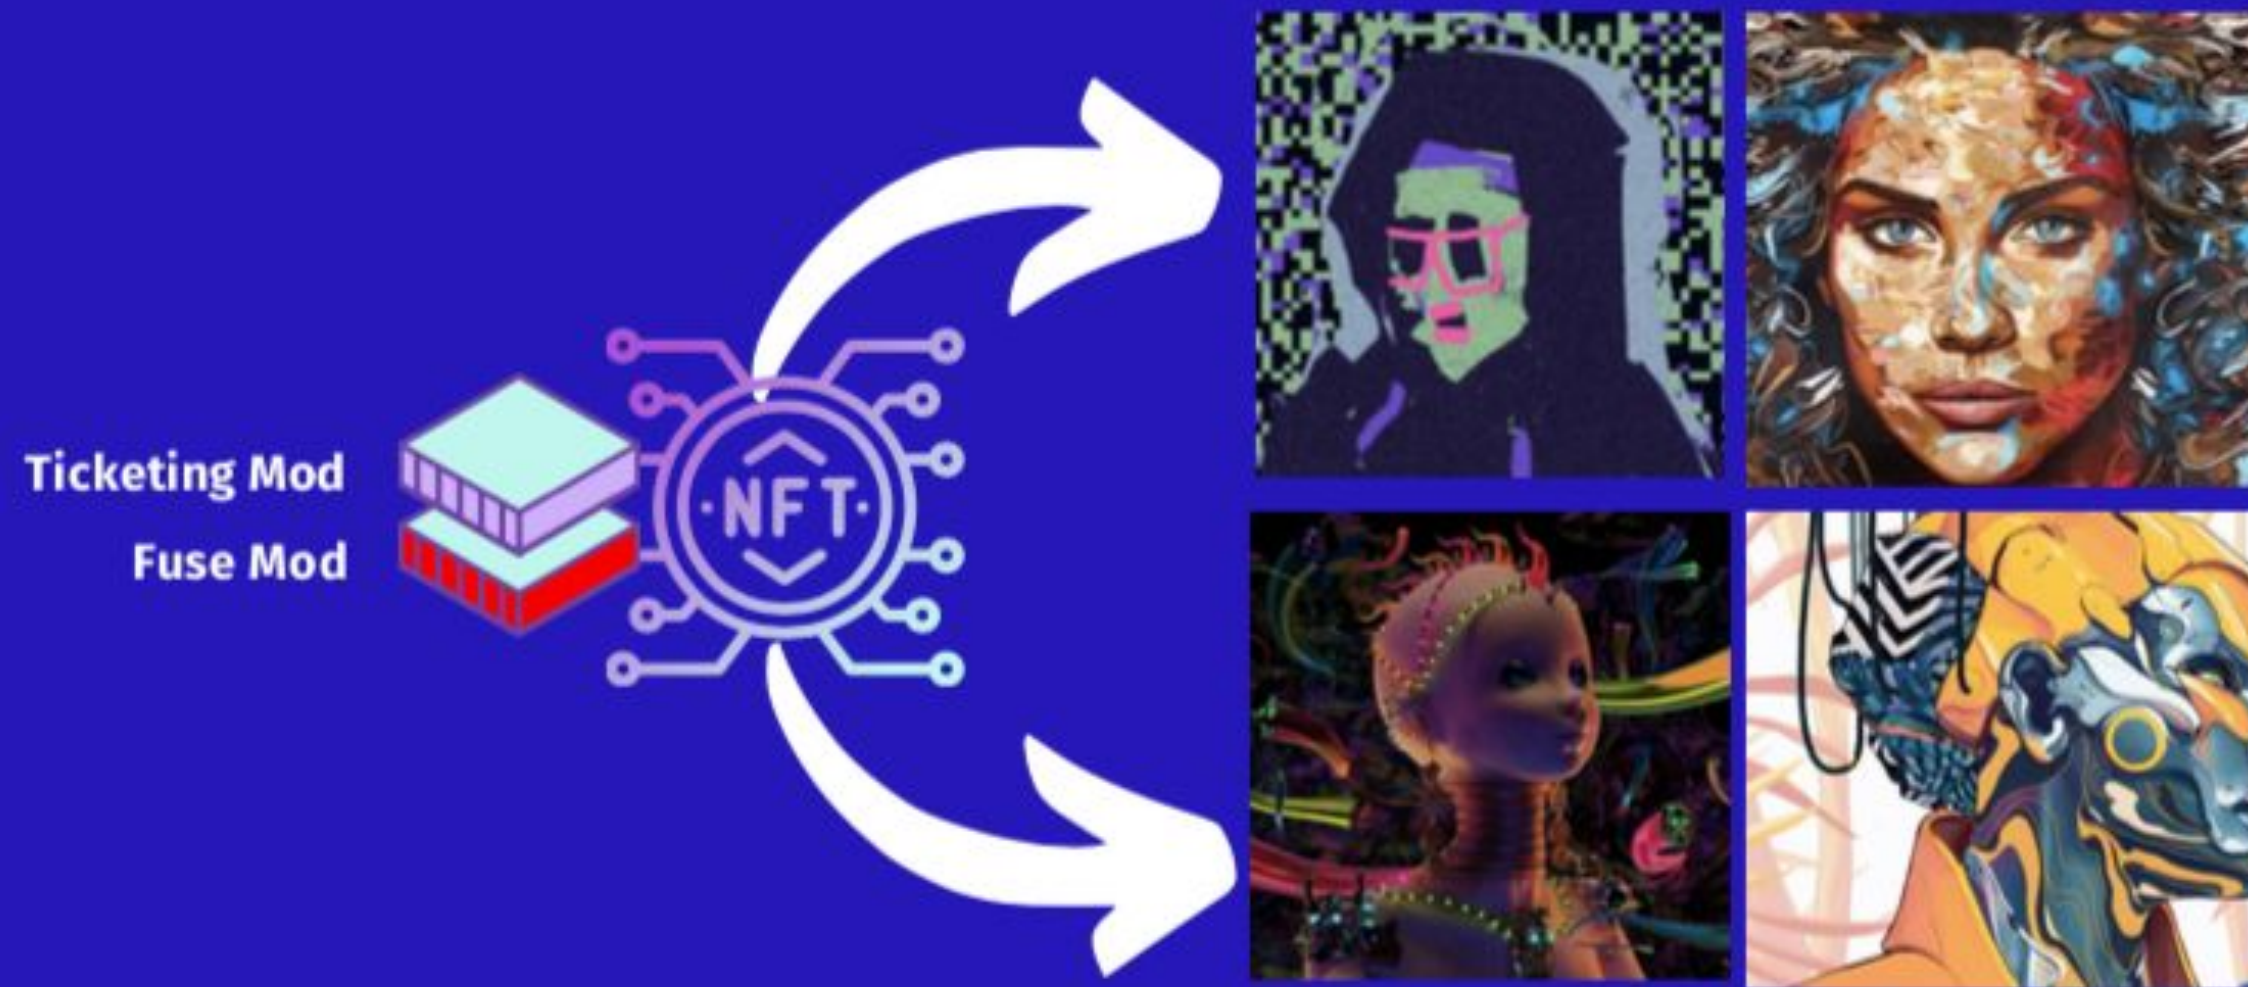

Web3 Module Marketplace

=

supermodule

ART & NFT Solution

1. Generate NFTs with the initial price for the art.
2. Publish and market the launch day for the NFT buying.
3. Users who owns the NFTs will be granted access to the picture verifications and authentications

ART & NFT Solution

NFTs are saved in the blockchain as unique units of data that identify them. NFTs owners can choose on which blockchain to store their digital assets. Currently, Zwyse Stack does it in Ethereum is one of the most popular options among NFT at present.

For artists, NFTs have opened up a new way to earn money. NFT art has been called the art of the future. It works pretty much like traditional art except for the fact that NFT artworks are always digital and the NFT system replaces conventional certificates of authenticity.

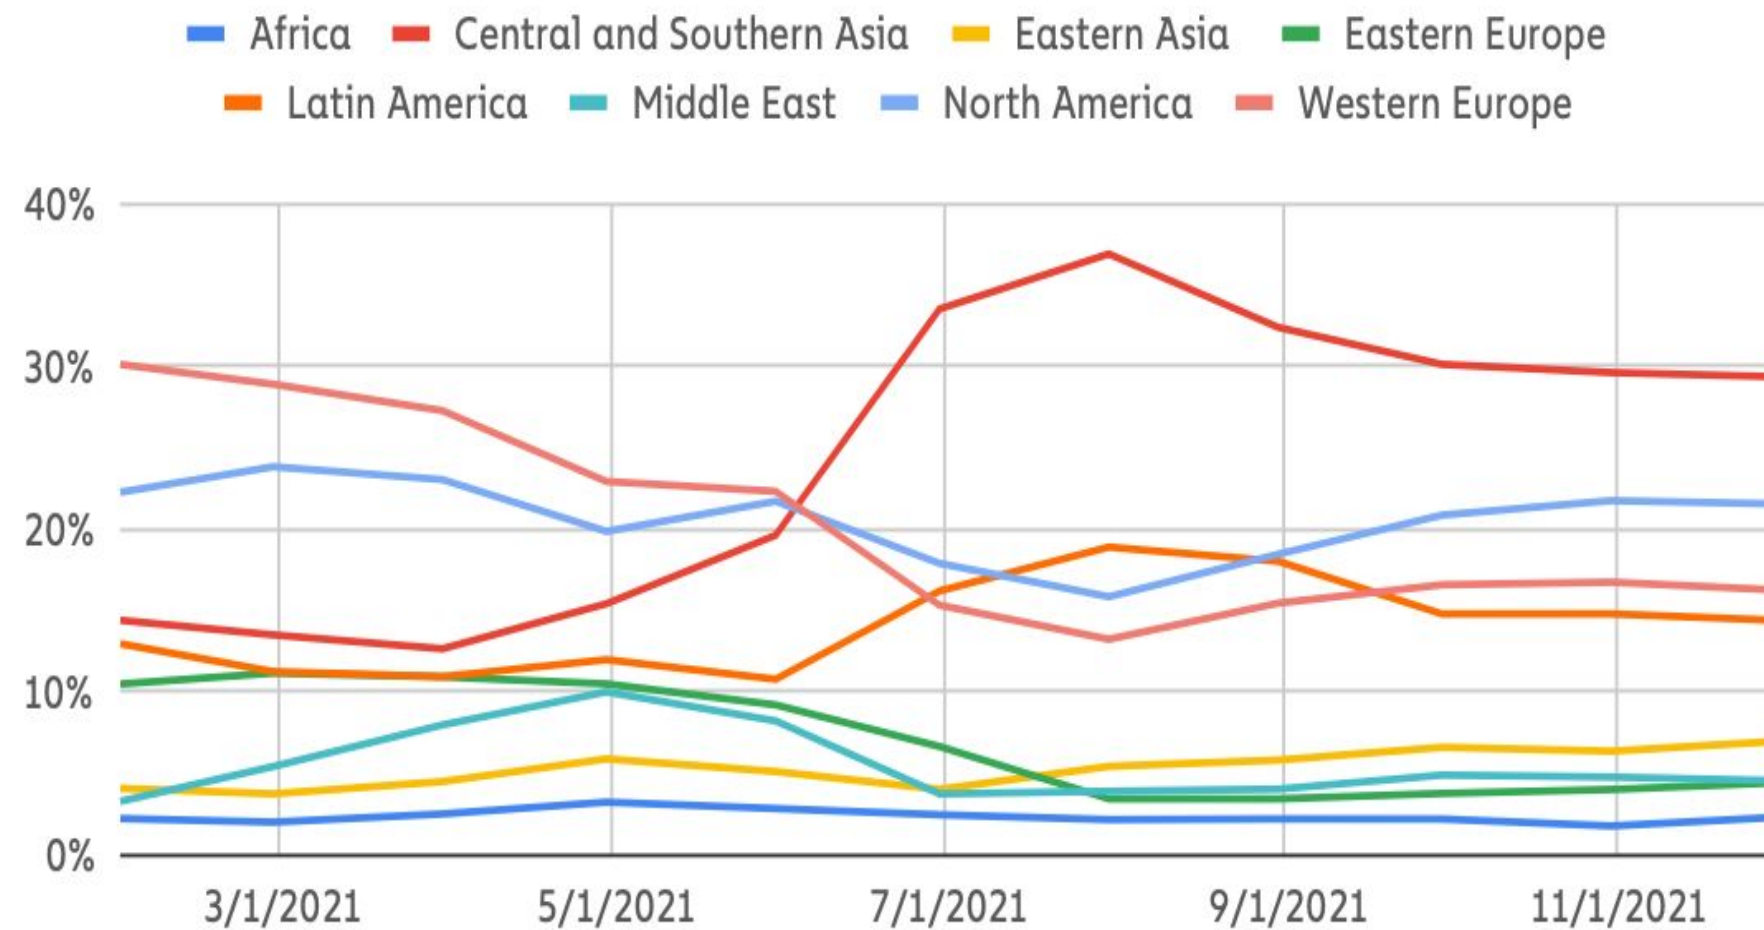

What We do

Zwype Stack is connect the circuit of DUBAI-LONDON-NEW YORK NFT market
We develop the NFT, Promotions, presentations and reach out to the customers through our network.
Handling various famous galleries original paintings.

Media voice

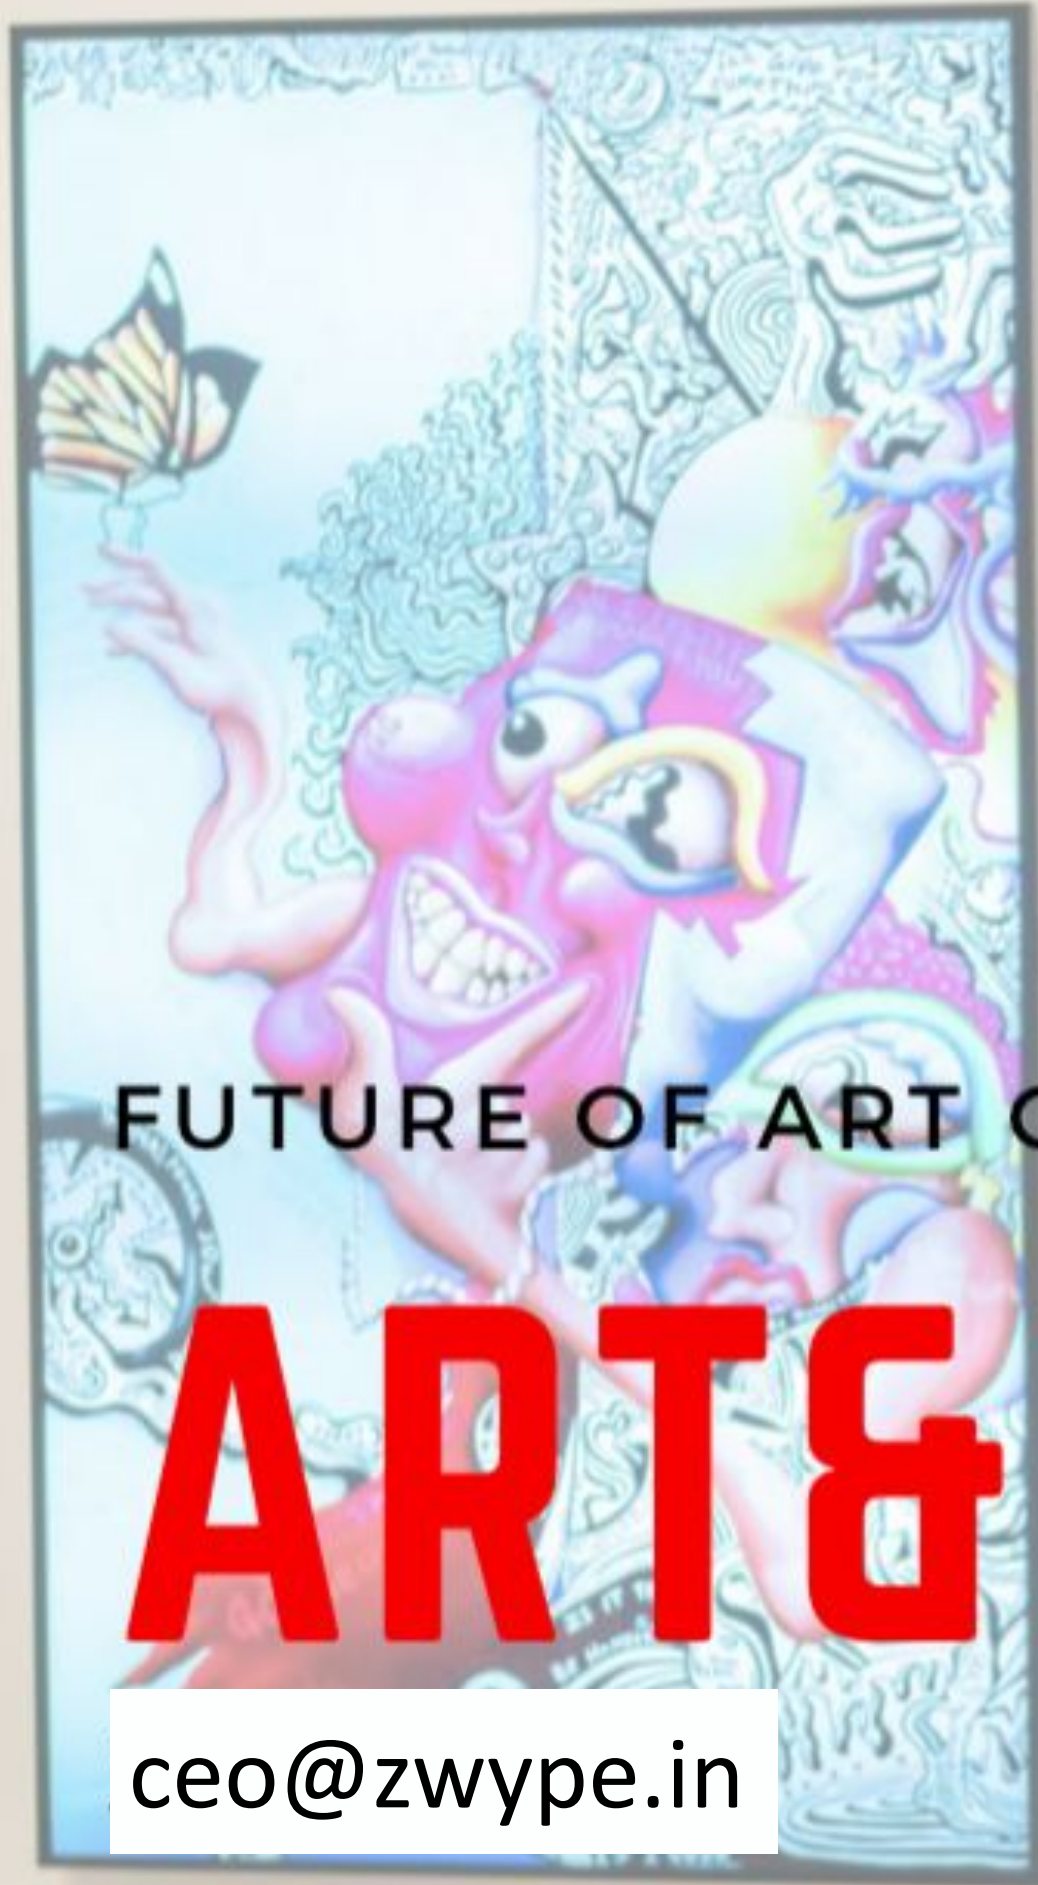

Common men are not close to art. Razi Rozario is trying his might to bring art to common people. He is living up to his aim. - **The Hindu**

For the past twenty five years Razi Rozario has been a full-time artist. His desire has been to bring art among masses, like music and literature. For the sake of he conducted Hundreds of exhibitions in all over India.

Razi draws from his experiences. There is a story behind each painting. And that is why people are drawn to his work. He says that Art is my life. There is nothing else I want to do. - **Indian Express.**

Razi Rozario focuses on acrylic painting even though he is equally nimble with oil colours - **Deccan Herald**
